5. ENVIRONMENTAL REVIEW PROCESS

Learn about the environmental review process and the tentative Project schedule.

6. COMMENTS

Submit your comments on the record to be taken into consideration during the preparation of the draft environmental documents.

HOW TO PARTICIPATE IN TODAY’S OPEN HOUSE

Thank you for taking the time to participate in tonight’s Public Scoping Meeting for the South County Traffic Relief Effort, which aims to materially improve north-south regional mobility in South Orange County and accommodate regional travel demand in a manner which improves regional mobility by reducing congestion on I-5 during peak commuting hours and weekends, provides additional north-south capacity in case of traffic incidents on I-5, and enhances bike and pedestrian opportunities. Project materials are available for public review and comment between November 8, 2019 and February 7, 2020. Tonight, you will learn more about the proposed Project, meet one-on-one with the team, and have an opportunity to provide feedback.
